BULLETIN 2024-9

To: Property & Casualty Insurers Offering Motorboat Coverage
From: Jonathan T. Pike, Insurance Commissioner
Date: August 1, 2024
Subject: **Motorboat Reporting Requirement in HB 184**

Currently, insurance companies that offer motor vehicle insurance in Utah are required to report all motor vehicles that they insure to the Utah Uninsured Motorist Identification Database Program. With the passage of HB 184, starting January 1, 2025, all insurers that offer motorboat insurance must also report motorboats that they insure to the Utah Uninsured Motorist Identification Database Program. The process for reporting motorboats will be very similar to the vehicle reporting requirement.

Instructions for the reporting requirements can be found on the vendor's website, <https://www.insure-rite.com/motorboats>. If you have questions regarding the process, please contact Natalia Pitkin – npitkin@insure-rite.com.

DATED this 1st day of August 2024.

Jonathan T. Pike
Insurance Commissioner
